Position overview

As a Senior Business Analyst within our Asset Management practice, you will assist our clients in the organization and the follow-up of their projects (portfolio management, internal control and regulatory auditing, funding distributions, funds reporting, process optimization and operational audit), and will be expected to perform across the following areas :

- **Client Delivery** : manage and execute complex high profile change initiatives for our clients and deliver lasting client impact
- **Business Development** : support and contribute to the management and development of sales offerings and participate in the development of new opportunities
- **People** : be adept at building strong lasting relationships with clients as well as the Investance team to support the growth of our company
- **Knowledge Capitalization and Research** : develop own market knowledge and partake in building out our exciting research offering

Essential experience and knowledge

- 3-8 years of relevant experience within a consulting firm or an Asset Management firm
- Advisory (transformation of operational models, market study)
- Regulatory expertise: UCITS IV, FATCA, Mifid II, Dodd Frank Act, Basel III...
- Knowledge of the information system, functional architecture
- Strong capacity to analyze and summarize and report
- Fluent English

Additional competencies

- Business application practice : Calypso, Simcorp, Mysis Sophis...
- Strong documentation skills using office applications (Excel, Power Point, Visio...)
- Management skills and ability or potential to lead project / people

Qualifications:

- Business or Engineering School or University degree with specialization (finance, organization)

In return, you will have the opportunity to be part of an exciting and dynamic growth story within a successful, ever expanding business. As an Investance consultant, you will work in a collaborative environment, surrounded by a team of industry experts which will provide the ideal platform for career development and growth. You will be part of a global organization which embraces entrepreneurial spirit. In addition there will be opportunities to work in our other locations and practices.

If you are seeking a rewarding career that will enable you to reach your full potential and would like to join our team please send your CV and a brief cover letter to cwatzky@investance.com
