Position overview

We are looking for Senior Business Analysts for our Hong Kong and Singapore offices. The individual will be expected to handle and deliver expertise as a Senior Business Analyst within business related projects on the client side.

- Manage projects and perform business analysis on Front to Back office applications
- Liaise between business and technology teams to provide a strong communication channel throughout the project lifecycle
- Prepare, attend, facilitate and document client meetings/workshops
- Develop high quality presentations/reports to effectively communicate project findings to senior stakeholders, including heads of the business
- Lead or assist in implementation of strategies and integrated solutions to address client needs
- Lead or assist in documenting, evaluating and translating strategic recommendations into tangible and actionable steps to transform business and technical architectures
- Design new process flows and lead discussion-based workshops to build consensus
- Participate in development of new opportunities: conduct market/client research and analysis
- Assist with development of Practice and recruitment efforts

Essential experience and knowledge

Candidates must have experience in the following areas:

- Proven track record in the financial services industry
- In-depth knowledge of financial products and business processes
- Good Knowledge or Expertise on one of these FO to BO systems : Murex, Summit, Sophis, Calypso, Intellimatch
- Ability to work in a fast-paced environment
- Strong documentation skills using Microsoft Office Applications (Excel, PowerPoint, Word)

Additional competencies

- Excellent communication skills (verbal and written) and client face-off
- Management skills and ability or potential to lead others
- Take ownership and responsibility
- Strong documentation skills using Microsoft Office applications (Excel, PowerPoint, Word)

In addition, candidates must possess an entrepreneurial mind-set with both a drive and willingness to be involved in all areas of a growing business.

Qualifications:

- MBA or equivalent in Economics, Business, Engineering or Sciences
- Language skills in Mandarin and/or Cantonese is a plus

In return, you will have the opportunity to be part of an exciting and dynamic growth story within a successful, ever expanding business. As an Investance consultant, you will work in a collaborative environment, surrounded by a team of industry experts which will provide the ideal platform for career development and growth. You will be part of a global organization which embraces entrepreneurial spirit. In addition there will be opportunities to work in our other locations and practices.

If you are seeking a rewarding career that will enable you to reach your full potential and would like to join our team please send your CV and a brief cover letter to mmbia@investance.com
